

REDEFINE REGIMEN

*For the Appearance of Lines,
Pores and Loss of Firmness*

HOW DOES THE REDEFINE REGIMEN WORK?

REDEFINE is a comprehensive skincare solution that utilises Multi-Step Science to help defend against and reduce the visible signs of ageing. By combining the right ingredients, in the right formulations, and using them in the right order, the Regimen:

- Refines skin's texture for softer, smoother-looking skin
- Effectively minimises the appearance of pores by removing pore-clogging dead skin cells
- Reduces the appearance of lines and wrinkles
- Hydrates and improves skin elasticity
- Helps to visibly firm the skin
- Replenishes skin's natural moisturising factors (NMFs) through Vitamins A, C and E and other vital skin nutrients

OUR 4-PRODUCT REDEFINE REGIMEN

1 REDEFINE Daily Cleansing Mask
Creamy, Kaolin Clay-based cleansing mask dries in two minutes, drawing impurities from pores without robbing skin of essential moisture. Finely granulated exfoliators gently smooth the skin without disrupting skin's delicate moisture barrier.

2 REDEFINE Pore Minimizing Toner
Exclusive combination of pore-clarifying ingredients minimises the appearance of enlarged pores in this fast-acting, alcohol-free liquid vehicle. Gentle poly-hydroxy acids exfoliate pore-clogging dead skin cells while oligosaccharides help reduce the appearance of pores.

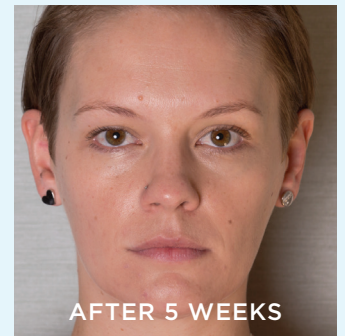

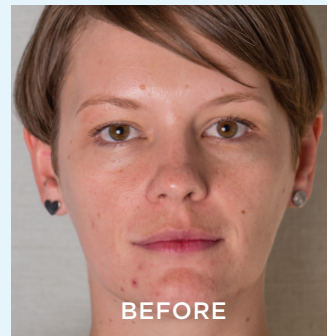

3 REDEFINE Triple Defense Treatment SPF 15
Moisturising lotion with SPF 15 protection contains a clinically tested concentration of powerful peptides to reduce the appearance of lines and wrinkles and visibly firm skin. Exclusive SHIELD^{RF} technology combines stabilised Avobenzone and colourless carotenoids for sun protection. Optical brighteners minimise the appearance of skin flaws while skin conditioning ingredients, Dimethicone and Sodium Hyaluronate, provide moisturisation.

4 REDEFINE Overnight Restorative Cream
Ultra-hydrating cream replenishes skin's natural moisturising factors (NMFs) while you sleep for visibly firmer, less-lined looking skin in the morning. Contains clinically tested concentrations of peptides and Niacinamide to help minimise the appearance of wrinkles and to help maintain firmer-looking skin. Moisture-recycling complex of Sodium Hyaluronate and Glycerin helps prevent moisture loss while 12-hour, time-released Vitamins A, C and E help replenish vital skin nutrients.

REAL RESULTS

REDEFINE REGIMEN

KATIE

REDEFINE RESULTS

After 8 weeks of REDEFINE Regimen use, participants in a clinical study achieved the following results:*

PERCENT OF PARTICIPANTS EXPERIENCING AN IMPROVEMENT IN THE APPEARANCE OF:

texture	100%
radiance	91%
smoothness	90%
softness	83%
fine lines	80%
pore size	80%
wrinkles	80%
elasticity	80%
even skin tone	78%
brown spots	76%

*Results may vary depending on multiple factors: age, gender, skin type and condition, concomitant products used, health history, location, lifestyle and diet.

REDEFINE AMP MD SYSTEM

For Firmer-Looking Skin

HOW DOES THE AMP MD SYSTEM WORK?

The REDEFINE AMP MD System utilises micro-exfoliation. This fractionated exfoliation occurs at the point of contact between micro-exfoliating tips and the surface of the skin. When done daily, fractionated exfoliation improves the appearance of the skin's tone and texture as skin responds to the contact of the micro-exfoliating tips. And when used in conjunction with the Retinol and peptides in REDEFINE Night Renewing Serum, the result is firmer, younger-looking skin. Recommended for use with REDEFINE Regimen for best results. Used as directed, the AMP MD System:

- Conditions the skin's surface using micro-exfoliating tips
- Increases appearance of firmness and elasticity
- Reduces the appearance of fine lines and wrinkles
- Visibly improves skin texture and minimises the appearance of pores with a proprietary blend of Retinol and peptides

USING AMP MD SYSTEM NIGHTLY WITH THE REDEFINE REGIMEN

- 1 REDEFINE Daily Cleansing Mask**
Creamy, Kaolin Clay-based cleansing mask dries in two minutes, drawing impurities from pores without robbing skin of essential moisture. Finely granulated exfoliators gently smoothe the skin without disrupting skin's delicate moisture barrier.

- 2 REDEFINE Pore Minimizing Toner**
Exclusive combination of pore-tightening ingredients minimises the appearance of enlarged pores in this fast-acting, alcohol-free liquid vehicle. Gentle poly-hydroxy acids exfoliate pore-clogging dead skin cells while oligosaccharides help reduce the appearance of pores.

AMP MD System
AMP MD Micro-Exfoliating Roller utilises stainless steel micro-exfoliating tips to safely condition the uppermost layer of skin.

+

REDEFINE Night Renewing Serum
Potent, proprietary blend of peptides and Retinol visibly improves skin texture and firmness and reduces the appearance of wrinkles. Retinol, favoured by dermatologists for decades, helps to improve skin texture and minimises the appearance of pores. Patented time-release technology conditions the skin throughout the night while reducing potential irritancy.

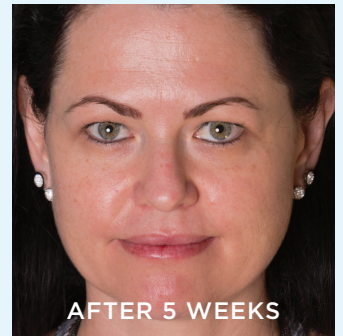

- 3 REDEFINE Overnight Restorative Cream**
Ultra-hydrating cream replenishes skin's natural moisturising factors (NMFs) while you sleep for visibly firmer, less-lined looking skin in the morning. Contains clinically tested concentrations of peptides and Niacinamide to help minimise the appearance of wrinkles and to help maintain firmer-looking skin. Moisture recycling complex of Sodium Hyaluronate and Glycerin helps prevent moisture loss while 12-hour, time-released Vitamins A, C and E help replenish vital skin nutrients.

REDEFINE ADD-ON PRODUCTS

New Age of Skincare

Beyond the Regimen

REDEFINE Night Renewing Serum

Each capsule contains a potent, proprietary blend of peptides and Retinol to visibly improve skin texture and firmness and reduce the appearance of wrinkles.

REDEFINE Lip Renewing Serum

Each peptide and antioxidant-rich capsule helps replenish lips' natural moisturising factors. Visibly smooths lip texture, and reduces the appearance of lip wrinkles.

REDEFINE Multi-Function Eye Cream

Utilises powerful peptides to minimise the look of crow's feet and reduce the appearance of dark circles and puffiness. Optical filters visibly brighten the eye area.

REDEFINE Eye Cloths

Gently removes makeup while depositing skin conditioning peptides to reduce the appearance of lines, wrinkles and puffiness.

REVERSE REGIMEN

*For the Appearance of Brown Spots,
Dullness and Discoloration*

HOW DOES THE REVERSE REGIMEN WORK?

REVERSE uses Multi-Step Science to combine the right ingredients in the right formulations and uses them in the right way to achieve real benefits at home. To address the dull appearance of sun damaged skin, REVERSE Regimen:

- Clears away dead, dulling, discoloured skin cells
- Absorbs into the uppermost layers of skin with brightening Vitamin C and Retinol
- Reduces the appearance of fine lines

OUR 4-STEP REVERSE REGIMEN

1 REVERSE Deep Exfoliating Wash
Alpha hydroxy acids and biodegradable beads gently remove dulling, dead skin cells for a smooth, fresh complexion. Deep exfoliation instantly brightens skin and prepares it for the steps that follow.

2 REVERSE Intensive Brightening Toner
Proprietary blend of Kojic Acid and Vitamin C visibly brightens skin and gradually evens skin tone. Salicylic Acid and Licorice help exfoliate skin and refine the skin's appearance for a more radiant complexion.

3 REVERSE Dual Active Brightening Complex
Features the combination of pure Vitamin C and Retinol formulations to enhance brightening of the skin while diminishing the look of fine lines and wrinkles. These two formulations are blended to work as one with clinically tested skin tone evening and brightening efficacy. Kojic Acid and Licorice further improve the appearance of uneven skin tone over time.

4 REVERSE Shield Brightening Lotion SPF 15
Contains SHIELD^{RF} technology to provide SPF 15 protection. Vitamin E and Green Tea condition and nourish the skin, while Licorice and Mulberry help to brighten dull skin.

SOOTHE REGIMEN

For Sensitive Skin

HOW DOES THE SOOTHE REGIMEN WORK?

SOOTHE is a complete skincare system that uses Multi-Step Science to decrease the dryness that leads to sensitive skin. Our exclusive patent-pending R+F peptide technology neutralises triggers to sensitive skin.

- Helps reduce the visible signs of sensitivity
- Fortifies the skin's natural moisture barrier to reduce sensitivity
- Reduces and neutralises irritants on the skin caused by environmental and lifestyle factors
- Noticeably improves skin tone with optical correctors
- Helps to defend against environmental stressors with a moisturising SPF 15 lotion

OUR 4-PRODUCT SOOTHE REGIMEN

- 1 SOOTHE Gentle Cream Wash**
Sweeps away skin impurities without the use of harsh surfactants. Contains essential moisturising ceramides that nurture the skin's barrier to support its resiliency.

- 2 SOOTHE Sensitive Skin Treatment**
Hydrating lotion with exclusive R+F peptide technology helps to reduce the visible signs of dry and sensitive skin. Dimethicone and Allantoin fortify the skin's barrier to relieve dryness and reduce the signs of sensitivity. Optical filters effectively neutralise the look of visible redness.

- 3 SOOTHE Moisture Replenishing Cream**
Rich, dewy formula soothes, hydrates and nourishes skin. Utilises RF COLD FISSION technology to replenish skin's natural moisturising factors without the use of traditional emulsifiers.

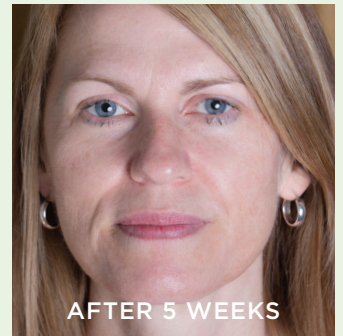

- 4 SOOTHE Calming Lotion SPF 15**
Calming lotion with SPF 15 protects skin without compromising skin's delicate moisture barrier. This lightweight formula calms, soothes and minimises the appearance of visible redness associated with dryness.

ESSENTIALS

Beyond The Regimen

Add on the ESSENTIALS by sharing these product benefits:

ESSENTIALS Daily Body Moisturizer

This lightweight, non-greasy formula absorbs quickly to soften skin and help keep you feeling smooth from morning to night.

ESSENTIALS Lip Shield SPF 15

Broad spectrum SPF 15 moisturises while providing moderate sun protection, and is ideal for hydrating and conditioning your lips.

ESSENTIALS Gauze Pads

Convenient pads are ideal for applying product and removing makeup, especially because they optimise product usage without leaving any cotton-ball residue.

ENHANCEMENTS

*To Help Skin Look More
Radiant & Healthy*

To optimize the results of your Regimen

ENHANCEMENTS Micro-Dermabrasion Paste

High-glide, oil-free conditioning formula designed to help promote maximum gentle exfoliation. Polishes skin with sugar-and-salt scrub featuring Vitamins C and E.

ENHANCEMENTS Micro-Dermabrasion Paste Packets

Same great formula, but packaged in single-use packets. Perfect for travelling and sampling.
